

SEEN, HEARD AND TOLD

By W. W. WHITAKER
When he feels like it.

Here's the latest news on the rat race. Ladrón Vaughn, who has been showing signs of running for Sheriff came in, paid his stud fee and got his picture struck and is now running hell for leather. Rice Pressgrove left Oliver-Lilly and has started his race for chancery clerk. Howard Little, the 6-5 boy who was elected one of the Public Service Commissioners about 8 years ago because he had heard there was little work, and big pay in that job, is now running for State Tax Collector. I think that is the fine job that Mrs. Bailey now holds. Other news: Henry Dunn of Holcomb is running for supervisor of Beat Five.

I went down home to Ward 39 of the Jackson vets hospital Sunday, got checked up and came back home on Tuesday and had a grand time. The first one I saw when I got there was my favorite "ward boy" Mary. Every one I came in contact with was extremely nice always, but Mary is my favorite of them all.

Also saw Bill Cunningham, who is running mighty fast for Circuit Clerk down there, passing out candidate cards. He gained so much (in girth) that he went in a slim 30 and was wearing 44 pajamas the day I left.

Also saw Sam Marascalco (not the one we call Jeckle) who does some work up her in Grenada when he is at home. He is one of Vince's boys.

Dr. Frank Hays, who is highly regarded down there, was the ward doctor. He, too, treated me mighty nice and let me go when he got thru checking me up.

When I was supervisor down in Beat 5, the first road I graveled was the road to my front gate. I said then that, if I did, I would be a damned rascal; if I did not, I would be a damned fool not to apply for a soldier's pension. So, when I was down home, I signed for one. I am 65 years old and not worth a damn for anything, and it seems that those are main qualifications for getting a soldier's pension.

A young fellow named Black was driver on the bus coming back. I will say this for Black: if I were grading him, I would give him a grade of 100 on safety and courtesy.

On the outskirts of Jackson, I noted how fast the new State Medical College was going up and could not forget how great the interest of the Avents in Grenada was in that project.

In Ward 39 I met a sorter old dude named Duboise, or something like that. He was most interesting and full conversation.

Jim Keeton, who paid in his dues recently, is figuring on going down home pretty soon, if he can get in.

Congratulations to old man Joe Neely on completing 39 years as Chrysler-Plymouth dealer as Grenada Auto Co. In celebration of his birthday Joe is spending his money publicizing a sort of birthday deal. Don't weaken, Joe, you continue to go strong. But read all about it in the ad.

Albert Cohen wants to close down the lake for about two weeks so folks will have time to work a little.

Like Joe Neely, Tommie Darras celebrated his birthday this week, but, unlike Joe, Tommie did not give any free coffee. Instead he refused to establish the "honor system" of dropping a nickel in a piggy bank like they do at the veterans hospital can before the customer serves himself.

I remember Joe Neely a long time ago, remember when he, Jake Kettle, Dr. Semmes, Riney Moore and I used to play set-back of nights. Riney, Doc and Jake are gone, but Joe and I are still here, if limping a little.

If you are looking for anyone in Grenada these days, you will find the individual either in the hospital or out on the lake.

This is not official, just something I heard. I heard that Henry Dunn would run for supervisor of Beat Five. One of his most important promises would be, the story was, that he would donate half the money he got from the county to the churches, missionary societies and to the widows and orphans.

Congratulations to Banker G. M. Moore for being named the new pre-

Mr. H. C. Wilson, 65, Died Here Saturday

Funeral services were conducted Sunday afternoon, March 13, at 4 p. m. at Garner Brothers Funeral Home by Rev. Felix Sutphin, Methodist Minister, for Mr. Harry C. Wilson, well-known retired barber who died suddenly Saturday afternoon while tinkering on a minor repair job in his home garage. Interment was in Woodlawn Memorial Park.

Mr. Wilson was 65 years old on February 1st. He was born at Vaiden but had resided in Grenada most all of his life. He was a veteran of World War I, a past commander of American Legion Post 35, a member of the Veterans of Foreign Wars and 40 et 8, and was a devoted member of the First Methodist Church of Grenada.

Mr. Wilson, owner of Wilson Barber Shop on Main St. had been advised by his physician to retire, so he had been resting at his home the past few months.

His passing is mourned by many relatives and friends. He leaves his widow, Mrs. Susie Wilson, and two daughters, Mrs. B. J. Anderson, Jr. of Grenada and Mrs. W. L. Owens of Birmingham, Ala., a sister, Mrs. E. L. Parker of Canton, and three grandchildren.

To the bereaved ones we offer our sympathy.

The medal will be sent to his widow who is the former Miss Pauline Richardson, the daughter of Mr. and Mrs. G. W. Richardson of Grenada. She resides here with her parents and has two lovely little daughters, Wanda, and the youngest child, Shelley, who was born Nov. 4, after the tragic death of Lt. Wyatt.

The overwhelmingly favorable issue for bonds for the colored folks last Saturday is fine evidence that we white folks in Grenada want to do right by the Negroes.

Citywide Bond Issue For School Passes Saturday

The \$375,000 bond issue carried handsomely at a citywide election held at the Elementary School last Saturday.

The vote was 675 "for" and only 21 "against".

Contrary to what we supposed, and stated last week, \$325,000 of this amount will be used to construct a school for colored kids and this new building will be located on the west end of Telegraph Street. \$50,000 will be used to construct a stadium which will be located on some of the Fair Grounds property, a tract of which has been leased for 99 years by the school authorities from the trustees of the Fair Ground Association.

The idea was to equalize the facilities for the colored kids with the facilities used by the white kids.

It is realized by all that greater facilities are needed for the white kids, but such facilities will come later.

Kiwanis Blackface Minstrel Slated For March 24-25

The end-men of the minstrel are John Brewer, Gayle Wilborn, Billy McMaster, Ed Neely, Dave Powell, Dr. D. L. Boyston, with Gray Harrison as interlocutor.

In charge of the specialty acts are Bob Carlson, Harold Biddy and Forest Breazeale. B. W. Henderson is in charge of advertising and publicity.

The club extends a cordial welcome to you and your family to attend this gala event. Tickets will be on sale at the door or a Kiwanian will call on you.

Speck Catches Moonshiner

Sheriff Speck Davis caught Albert Rounds of Beat 5 operating a 7-barrel still last Saturday, and confiscated the outfit and brought Rounds to the county jail.

Rounds' attorney waived preliminary hearing and will await action of the Grand Jury. His bond was fixed at \$2,000 and he was released.

The campaign will continue through Easter Sunday, April 11th.

Henry Dunn Announces For Supervisor - Beat Five

Henry Dunn wants to be Supervisor in Beat Five - and wants to divide his monthly salary with the Churches and Cemeteries in that District.

To the Voters and my friends in Supervisor's District or Beat Five in Grenada County:

I am asking my friends to vote for me for Supervisor in District Five in the coming election - and promise you, if elected, will divide my monthly salary of this office as follows:—

I will divide equally one-half of my monthly salary that I receive from Grenada County, for eleven months out of each year, to all White Churches in Beat Five—

—AND—

I will give all of the twelfth month's salary, divided equally, among all the White Cemeteries in Beat Five, in order to help keep them clean of weeds.

I was born and reared in Beat Five in Grenada County, and have never asked any one to vote for me for a public office before. Am also a tax payer and property owner in this beat.

During 14 or 15 years out of the past 20 years I have worked in the Road Building business, so feel qualified for the office in this respect.

I certainly will appreciate your vote and influence and anything else you can do for me.

Yours very truly,
Henry Dunn

Pressgrove Announces
Chancery Clerk

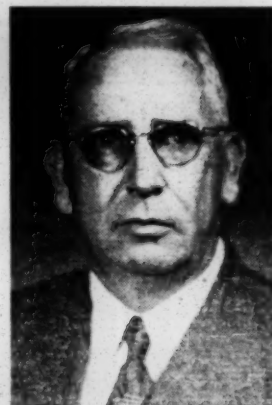

Rice Pressgrove, one of the most obliging, accommodating and, let us add, efficient men ever in the court house, this week authorizes us to place his name in the announcement column for Chancery Clerk and that's what we are now doing.

Term before the last term, Rice was deputy for his brother, John Pressgrove and he was almost raised in the office. Since they were out of office nearly eight years ago, Rice, except for a brief period spent at work at Camp McCain, has worked practically continuously for Orley Lilly, both in the tractor department and the Ford car department.

He is resigning his post at Oliver-Lilly so that he can get out on the hustlings and can make new acquaintances and renew old ones which are a heritage from the old days in office.

We bespeak for Rice the kindly consideration of the citizens of Grenada County. He has been identified with big doings for the past eight years at Oliver-Lilly, and is now seeking the most important office in the fiscal realm of the county.

J. R. Willingham Announces For Tax Assessor

To The Voters of Grenada County

After careful consideration I have decided to announce as a candidate for Tax Assessor, subject to the Democratic Primaries in August.

I was born in Beat 2, Grenada County in 1902. For the last 30 years I have lived in the City of Grenada.

I feel that my experience and intimate knowledge of land and property values qualifies me for the office of County Tax Assessor.

It is my desire to see as many qualified electors in Grenada and Grenada County as humanly possible between now and the August primaries.

Your support and vote will be gratefully appreciated.

Respectfully,
John R. Willingham.

Sounded Like A Bomb-Blast Warning Sunday Afternoon

The whistles blowing and sirens shrieking and bells ringing Sunday afternoon caused everyone in town to wonder if, indeed, an atomic bomb was on its way to blast Grenada. Folks rushed to the square to find out what-thell.

It turned out that it was not some Baptist doings, but a call to arms of the members of the national guard members of which forthwith patrolled in military fashion, and with military precision the business streets of Grenada - a sort of military practice maneuver.

Ladrón Vaughn Announces
For Sheriff

To The People of Grenada County: After careful consideration and talking the matter over with friends I am now announcing for Sheriff of Grenada County.

I am 42 years old and a member of Emmanuel Baptist Church and now engaged in the cafe business, located at the Railroad Lunch Counter.

As most people of Grenada County know, before entering the cafe business I was a Police Officer for the City of Grenada from December 12, 1946 until October 31, 1954. During this time I worked under the command of four Chiefs of Police. I did my best to answer all calls and to carry out my many duties as a police officer.

I have but one promise to make to the People of Grenada County. If elected your Sheriff I will strictly enforce all laws as is the Sheriff's duty.

Sincerely Yours,
Ladrón Vaughn.

Howard H. Little Candidate For State Tax Collector

To The Democratic Voters Of The State of Mississippi

In announcing my candidacy for the office of State Tax Collector, I am well aware of the magnitude and responsibility of this office. I consider it as one of the most important offices in the government of the people.

I appreciate the many honors bestowed upon me by the good people of Mississippi in the past. It has been a privilege and a pleasure to serve as one of your Public Service Commissioners for the past eight years. The knowledge and experience gained in this office should be highly beneficial to me as your State Tax Collector.

When I am elected your State Tax Collector, I assure you that I will devote 100 per cent of my time in an honest, efficient and sincere effort to render proper and adequate service.

The collection of all taxes due the State of Mississippi is the primary purpose of the State Tax Collector and I will diligently endeavor to collect any and all delinquent taxes due. There are other duties imposed upon this office and I promise you that whenever or wherever the duties of my office call, I will, to the best of my ability discharge those duties with fidelity.

I want to assure you when I am elected your State Tax Collector, I will prove my profound appreciation by rendering capable, efficient service. My wife and children join me in this appeal to you for your support in the coming campaign.

Respectfully,
Howard H. Little.

Security is a valuable possession. Since the establishment of the Mississippi Highway Safety Patrol in 1938, Mississippians have been secure in the knowledge that well-trained officers are constantly on duty throughout our state... helping to guard the well-being of our citizens and protecting our property from harm.

In spite of problems of increased highway traffic and rising operating costs, the Mississippi Highway Safety Patrol has established an efficiency record that compares favorably with similar agencies in other states. This fine service costs the taxpayers of Mississippi slightly over 2.5 million dollars a year.

As one of these taxpayers, Mississippi Power & Light Company is proud to contribute to the maintenance of the Mississippi Highway Safety Patrol. In 1954, a total of \$6,374,358 (or 23 cents of each dollar of revenue received by Mississippi Power & Light Company) was set aside to pay the Company's tax bill. Of this amount \$2,731,258 is for state, county and municipal taxes to be paid in Mississippi.

From these figures it can be seen that the company's annual state, county and municipal taxes could more than provide the entire support for this invaluable state agency.

The new headquarters building of the Mississippi Highway Safety Patrol is under construction on Highway 51 North in Jackson.

SHIRLEY WHITAKER IS 12

Shirley Whitaker celebrated her 12th birthday on Saturday afternoon at a wiener roast on Grenada Lake, followed by a dance at the home of her parents, Mr. and Mrs. Andrew Whitaker on East Street.

Following out-door games at the lake, the children enjoyed a picnic supper served from the pits on the picnic grounds near the sand beach. Then at dusk they went to the Whitaker home for dancing and other games.

Mrs. Whitaker was assisted by Mr. Whitaker and Mrs. Sam Williamson. Shirley was delighted with the lovely birthday remembrances she received. Her birthday was on March 7th however; the party was on March 12.

The following guests were present: Carol, Karen, and Valerie Williamson, Andrea Whitaker, Linda Stanfill, Helen Daly, Linda Tutor, Judy Vance, Delores Williams, Donna Wenger, Janice Willingham, Jesse Holmes Gully, Jack Townes, Jimmy Gratz, "Mikie" Gratz, Jesse Whitten, Ronald Vaughn, Robert Shepard, Jimmy Trusty and Jerry Wyatt.

20TH CENTURY CLUB MET

(By Ann Wilson Frye)
The Twentieth Century Club met at 3:30 p. m. on Tuesday at the Community House, where they were welcomed by the hostesses, Mrs. Cowles Horton and Mrs. R. C. Johnson. The room looked fresh and spring-like with bowls and vases of daffodils, flowering quince, and other lovely flowers.

There was a short business meeting, during which the members voted on accepting the new panel of officers the nominating committee had selected for the coming year. Also, Mrs. W. H. Kirk was unanimously elected a member.

Mrs. Roscoe Davis then brought the members and their guests on the next lap of their imaginary journey around the world with a leisurely ocean voyage from France to Buenos Aires in Argentina. With vivid description, she conducted her tour through the modern cities, the fertile midlands, the grassy pampas, where the industrious Argentinians live and work under a government that is trying to equalize, to some extent, the extremes of poverty and wealth in that interesting land.

Chile, the "Shoe-String" Republic, was the subject of Mrs. Jack Yates' tour, which she conducted with erudition and spicily humor. That long land scarcely 100 miles wide, with its cheerful, fun-loving, polyglot people, its fascinating history and ancient culture, its completely modern cities is truly a good neighbor to visit. Chile and Argentine both, with the Christ of the Andes symbol of peace between them, ought to be an inspiration to the world.

Delicious refreshments of pineapple sherbet, cheese sandwiches and cookies were served to the members and the following guests: Mesdames H. W. Baker, Sara Barnard, Lamar Chamberlain, Frank Horton, Hugh Ketchum, Virginia McCracken and John Rives.

An Appeal To Gore Springs People

With a wonderful highway centering Gore Springs community and nearby Grenada Lake only a short distance away, the possibilities for a better community is evident. Our village is beautifully and ideally situated as no other in this area for the development of community life of highest standard. This is not an advertisement, but an earnest appeal to the elders of the community to realize this fact to encourage and to work with younger citizens in the planning and the building of a better and great community. Our town friends are interested in this development. Are WE? Lets take inventory and list our needs!

Roy C. Adams Writes Of Oxberry-Philipp Hiway

In a signed article, Hon. Roy C. Adams writes the people as follows about the extension of Highway 8 from Oxberry to a point beyond Philipp:

"The construction of Highway 8 has been of much interest and has been needed by the citizens of Grenada Leflore, Carroll, Tallahatchie and adjoining counties and I am very glad to announce that I have programmed funds to grade, drain and bridge with a temporary gravel surface that section of Highway 8 extending from Oxberry westwardly 14.2 miles by way of Philipp and ending approximately 2 miles east of Highway 40 connecting with a project that has already been awarded and contracted is now in progress. This 2 mile project includes the bridge over the Tallahatchie River at or near Maple City. The contract was awarded sometime ago for the paving of Highway 8 beginning at the town of Highway 8 beginning at the Mississippi County line. This project should be completed this summer.

The construction fund available have not permitted us to do all of the work in Grenada County that the citizens and I would have liked but I have endeavored to deal fairly with all counties in the Northern Highway District and feel that Grenada County has received its proportionate share of funds made available for construction.

I wish to thank the citizens, city, town and county officials for their whole-hearted cooperation shown me and the State Highway personnel in providing an improved Highway System and to assure you of our continued interest, cooperation and appreciation."

One thing you can say about Rice Pressgrove now running for Chancery Clerk. He is telephone-broke, as he has been working for 7 or 8 years at Oliver-Lilly, where they have just as many telephones, five, as Byron Hunter already has in the chancery clerk's office.

I did not get to talk to Bill Morris, so many telephones in the chancery but Bill called Mabel and told her clerk's office. About the best I can do is to say, maybe, "they were NOT retract, recant or something about shocked" to find out about those tele- those veterans being shocked to find phones.

For many years the influence of the "evil eye" was believed to cause blight or injury. As protection against this perilous influence, amulets or charms were worn. Experience has revealed that neither of these assumptions is correct.

Living in Health

Lesson for March 29, 1955

ASCARIASIS is the name of a disease. It is caused by colonies of small round worms, parasites, named Ascaris. A Christian medical missionary who operates a hospital in Korea writes: "Reducing the number of people who have this debilitating parasite from 99% to 38% in one year, in our leper colony, is something to shout about from the housetops of Korea. Ascariasis takes that sharp edge off a person so that he is dull; his ambition is dampened; his reflexes are sluggish, and his integrity is weakened. I sometimes feel that many of the attributes so often blamed on the Devil may possibly be more accurately credited to the lowly round worm that lives in comfort inside of most Koreans." This is just one single illustration of something many Christians do not realize; that spiritual health, mental health and physical health all go together.

Doing, Not Drifting

Christian living has many aspects. One of them is the importance of keeping a healthy body. Ascariasis seldom puts the patient to bed. Indeed the patient is seldom aware that anything is wrong with him, and yet his lack of ambition, his dullness of mind, his lack of dependability, may have their basis in his physical condition. So it is with all diseases, so it is with all physical inefficiency even when you can't quite call it a disease. It is a sin to be less healthy than you can be. It is (assuming you can help it) because your physical flabbiness leads to mental and moral and spiritual flabbiness too. This is not saying that every patient in a hospital is there because of his personal sins. But it is true that many of them are there precisely by their own fault. The point is,

health of body is a Christian's responsibility, a duty he owes God, other men, and himself. And health of body will not come by chance, it will not come by drifting. It comes by doing. This is true of the whole Christian life, bottom to top. Paul says to his converts: "Every one of you should learn to control his body, keeping it pure and treating it with respect, and never regarding it as an instrument for self-gratification." (1 Thess. 4:4, Phillips translation.) Health begins in self-control comes only by working at it.

Purity Is Positive

It is true that the New Testament warns against spiritual sins quite as much as against physical sins, if not more so. But it is also true that there are plain teachings about virtues and vices of the body itself. Drunkenness, sexual sins of various kinds, are always marked out as spiritual dangers. Blessed are the pure in heart, that is true. But those who are not pure in body are not pure in heart. Further, purity is not a negative thing. A virgin who had never touched a drop of liquor might yet not be pure. Repression of desire as the Bible knows and as psychology on its own has also discovered,—sheer repression, with nothing to balance it, may be a bad thing. A driver was boasting about how he eliminated some distance on a certain route he took every week, and so saved three minutes on every trip. But he could not answer the question: What do you do with those three minutes? So purity of life means more than not squandering our energies and wasting our health, on drink or otherwise; it means using the energy we save, as God would have it used.

Who's in Charge Here?

The key-question for health—physical, mental, and spiritual—is, Who is in charge here? Is your body in charge of your mind, or is it the other way around? But which mind is in charge here? Your lazy, sleazy, shifty mind, content with ignorance, asking only to be amused (for you have such a mind), or the mind that aspires to higher things (for you have such a mind too). You carry with you all your life the mind of the brute, the mind of the child; but you have the right to a mature mind, to be mature. Who is in charge here, the brute, the child, or you? Above all, who is in charge of you? If the true answer to that last question is God, then the true answers to the others will be easier.

A resolution declaring the paving of Pearl Street from Water Street, East to Line Street; Spring Street from Line Street, East to Doak Street, and Govan Street from the West right of way line of the Illinois Central Railroad, East to the Corporate limits, necessary.

Sec. 1. Be it resolved by the Board of Mayor and Councilman of the City of Grenada, Mississippi, proceeding under the authority of Section 3965-01, et seq. of the Mississippi Code of 1942, that it is necessary that street paving be constructed on the designated portions of the following named Streets, to-wit:

(a) Pearl Street from Water Street, East to Line Street, including the wid-

th of Line Street.

(b) Spring Street from Line Street, East to Doak Street.

(c) Govan Street from the west right of way line of the Illinois Central Railroad East to the Corporate limits of Grenada.

Sec. 2. Be it further resolved that the paving herein and hereby authorized to be done shall consist of the preparation of a compact gravel base, and a double bituminous (asphalt) surface treatment placed thereon.

Sec. 3. Be it further resolved that the special improvements herein provided for and authorized hereby shall be done according to the plans and specifications therefor, now on file with the City Recorder of said City in that Office in the City Hall, which said plans and specifications, and any amendments, if any, are hereby adopted in full and every item, part and section thereof are adopted as the official plans and specifications for this work.

Sec. 4. Be it further resolved that the cost of said special improvements, when completed, will be arrived at as provided in the above mentioned law, and said cost shall be paid for as follows: The owners of the property abutting on each side of the aforementioned parts of the said streets to be paved, shall each pay a third of the cost thereof, based on the front footage of the property owned, and the City will pay the last third of the cost thereof.

Sec. 5. Be it further resolved that the City Recorder shall give notice to all interested parties, as defined in said law, by publishing this resolution once a week for three successive weeks in a local newspaper, that the said City Council will sit in an official session at its regular meeting place in the City Hall in said City, at 7:30 o'clock P. M., on the 11th day of April, 1955, to hear the objections, protests or remonstrances that may be made either by petition or orally, if any, to the special improvements. An Ordinance Prohibiting Picketing On The Streets Of The City Of Grenada, Mississippi, Declaring Same A Nuisance, Prescribing The Punishment For A Violation Hereof, Etc.

Be it ordained by the Board of Mayor and Councilmen of the City of Grenada, as follows:

Whereas, the existing law of the City of Grenada prohibits merchants and individuals from transacting business on the sidewalks of the City and displaying their products, advertisements, etc., on said sidewalks;

Whereas, in the opinion of the Board of Mayor and Councilmen of

said City, active picketing on said sidewalks constitutes doing business as above specified, which is specifically prohibited to the merchants, and individuals, and constitutes advertising, doing business etc., within the purview of the law prohibiting same on said sidewalks; and whereas, the fact of individuals wearing placards and walking up and down said sidewalks obstructs the use of said sidewalks to pedestrians and prevents pedestrians from being able to see sufficiently ahead of them down said sidewalks and thus not only creates a hazard to individuals but is also very unsightly and destroys the beauty of our City;

Whereas, as a result of the picketing going on in connection with the present telephone strike in said City, one bad automobile wreck occurred this the 14th day of March, directly adjacent to said picketing and as a result of the confusion caused by the picketing.

Whereas, the merchants of the City have objected to said picketing and declared same was detrimental to their present business and to the future growth and welfare of the City of Grenada because of the evidence of lack of harmony existing in Grenada;

Whereas, the Board of Mayor and Councilmen do affirmatively find all of the above to be true and to exist

and as a result thereof declare this situation to be an emergency, now, therefore,

Sec. 1. That it shall be unlawful for anyone or any group of individuals to engage in picketing on the streets and sidewalks in the City of Grenada.

Sec. 2. That because of the above stated reasons and the above stated dangerous results from picketing which entail a hazard to the public health and welfare of the City and its citizenry, and necessitates an immediate conclusion thereof, this situation is hereby affirmatively determined to be and is hereby declared to be a public nuisance, and for that reason, this ordinance shall take effect and be in force from and after passage.

Sec. 3. Any person violating this ordinance shall be punished as for a misdemeanor.

The above ordinance was read and voted on by sections and as a whole and upon the motion of Councilman L. D. Boone, Jr., which was seconded by Councilman H. J. Ray, Jr., same was duly adopted this 14th day of March, 1955.

R. A. Clanton-s-, Mayor.
